

HOME INSPECTION HOURS

Home Inspections are available 7 days a week. As long as there is sufficient daylight to complete the exterior, I'll do everything I can to try to accommodate your busy schedule.

PHONE CONSULTATION

Phone consultations are available from 8AM-8PM. In the event that I am out of the office and on site with another client, your call will be transferred to my cell phone. Please leave me a message, and I will return your call as soon as possible. Even if you decide to use another inspection company and just have a question about your home, just give me a call, I'll be happy to answer it for you.
